

PRESS RELEASE

360HR AWARDED 'PARALYMPIC ACHIEVEMENT AWARD – CORPORATE'

At the recent Paralympian of the Year 2010 awards, boutique recruitment and consulting firm 360HR was presented with the Paralympic Achievement Award – Corporate.'

The award was presented to 360HR Directors, Di and John Pass by Paralympian Kurt Fearnley, multiple gold medallist, world champion and Kokoda conqueror. This was fitting as 360HR have sponsored Fearnley for the past 6 years.

360HR was recognised for the outstanding contribution to the Paralympic team, over more than 12 years, including participation on committees, assistance at Paralympic Games in Athens and Beijing, and the annual 360HR Corporate Bowls Day conducted for the past 5 years. This event has seen almost \$200K raised for the Australian Paralympic Team.

The award particularly recognised the size of the contribution for a company with a total headcount less than 20!

360HR also manages the Paralympic Diversity Workplace Program designed to match athletes with employers who truly value diversity in the workplace. Launched in February 2010 by Bill Shorten, MP, the program is well on the way to achieving the first year goal of 10 athletes employed.

Di Pass, Director, 360HR commented, '360HR is extremely proud to be known as a company with a heart and has always encouraged team members to engage in community activities.'
